Pflugerville, TX 78660
(512) 681-6000

NOTICE OF CLOSURE: BLUE GOOSE ROAD

The following detour plan for the construction of the tie-in of Blue Goose Road to the future westbound frontage road for US 290 will be re-implemented – in the same manner as was implemented last year from July 30 to August 1, 2005.

Beginning, April 3, 2006*:

- Blue Goose Road will be closed to US 290. All Blue Goose Road traffic will be detoured to Harris Branch Parkway.
- Residents and businesses located on Aus-Tex Acres Lane will continue to have access to Blue Goose Road but will not be able to access US 290 from Blue Goose Road. Visitors, employees and residents will take Harris Branch Parkway from US 290 to Blue Goose Road to Aus-Tex Acres Lane.
- This closure is expected to be in place approximately three months – until July 3, 2006*.

** Dates subject to change. Closure pending successful relocation of utilities in the area. Please refer to the message board and additional signage in the area and visit www.sh130.com for date changes.*

For further information, please do not hesitate to contact Rob Frazer of Lone Star Infrastructure at (512) 681-6288 or rob.frazer@lsijv.com.
