NOTICE OF CLOSURE: FM 971

The following detour plan was drafted and will be implemented in order to allow SH 130 crews to complete tie-in work for FM 971:

Beginning at approximately 7:00 p.m. on Friday, September 16, 2005*:

- During this temporary closure, FM 971 will be closed to traffic between the inner loop and CR 152.
- Eastbound traffic will be detoured to the inner loop, to CR 151, to CR 152, then back to FM 971.
- Westbound traffic will be detoured to CR 152, to CR 151, to the inner loop, then back to FM 971.
- The closure is expected to take place for **one day only** and construction activities are expected to finish by the end of the day Saturday, September 17, 2005*. On this date, traffic will be switched onto the new alignment of FM 971.
- Immediately following this switch, CR 152 will be closed to FM 971 for approximately two weeks* to construct the new tie-in with FM 971.

** Dates subject to change. Please refer to the message board and additional signage in the area and visit www.sh130.com for date changes.*
