NOTICE: REDUCTION OF LANES ON GATTIS SCHOOL ROAD

GATTIS SCHOOL ROAD WILL NOT BE CLOSED

After working with appropriate local and state officials, the following lane reduction plan for the construction of the future tie-in of Gattis School Road to the southbound frontage road of State Highway 130 was finalized.

Beginning Friday, July 29, 2005:

- Traffic will be reduced to two lanes (one lane in each direction) for approximately six weeks.*
- The southern two lanes of Gattis School Road, on the west side of its intersection with FM 685, will be closed for approximately three weeks.*
- Following the completion of the work on the southern lanes, the northern two lanes – on the opposite side of the median – will be closed for approximately three weeks.*
- The closures will be in place from the FM 685 intersection to approximately one quarter of a mile west, where Gattis School Road reduces from four lanes to two.

**Dates subject to change due to utility relocation work and weather. Please visit www.sh130.com for scheduling updates.*
