NOTICE OF CLOSURE OF PECAN STREET: DATE REVISION

The date of the Pecan Street detour has been moved to **January 5, 2005**.

The detour plan will remain the same. After working with appropriate local and state officials, the attached detour plan for the construction of the Pecan Street Bridge over SH 130 was finalized.

- Pecan Street will be closed between North East Metro Park Road and Weiss Road.
- Traffic headed East on Pecan Street will be detoured along the new SH 130 alignment to Cameron Road.
- Traffic on Cameron Road that would normally take Pecan Street to FM 685 will be detoured along the new SH 130 alignment to Pecan Street.

For further information, please do not hesitate to contact Rob Frazer of Lone Star Infrastructure at (512) 681-6288 or rob.frazer@lsijv.com. Please also visit the project website at www.sh130.com for additional information.
